

Activated Charcoal Peel-off Mask

CLEANSER

Directions For Use:

Wet face with warm water and apply cleanser. Carefully avoid the eyes while using fingers to create a lather. Rinse off thoroughly with warm water.

INGREDIENTS: Water, Sodium C14-16, Olefin Sulfonate, Glycerin, Acrylates Copolymer, Cocamidopropyl Betaine, Charcoal Powder, Cocamide MIPA, Panthenol, Xanthan Gum, Methylchloroisothiazolinone, Sodium Hydroxide.

PEEL-OFF MASK

Directions For Use:

STEP 1

Apply mask to face, avoiding the eyes*. Apply multiple layers, as needed, so that the mask is opaque. May be applied to targeted areas only, as desired. (For best results pores should be opened up using steam or a hot wet towel, leaving face wet.)

STEP 2

Allow mask to fully dry until it is no longer tacky, this will depend on the thickness of mask applied.

STEP 3

When the mask has dried, carefully roll fingers along the bottom edge until it begins to lift. Gently pull the mask upwards to remove. Any remaining pieces may be pulled off or washed off with a hand towel, warm water, and soap.

INGREDIENTS: Water, Polyvinyl Alcohol, Alcohol Denat., Glycerin, Charcoal Powder, Methacrylic Acid/Sodium Acrylamidomethyl Propane Sulfonate Copolymer, Sodium Ascorbyl Phosphate, Rosmarinus Officinalis (Rosemary) Leaf Extract, Eucalyptus Globulus Leaf Extract, Bentonite, Ethylhexylglycerin, Xanthan Gum, Phenoxyethanol.

WARNINGS: Use only as directed. Do not ingest. If irritation develops discontinue use immediately. If irritation persists, consult a physician.

* If mask comes in contact with eyes, wash eyes immediately with water. If irritation develops, contact a physician.

Made in USA.
