

LASH EASE™

Mascara With Building Technology

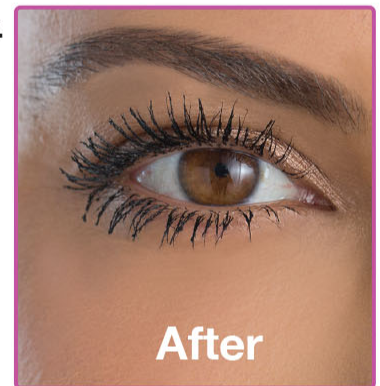

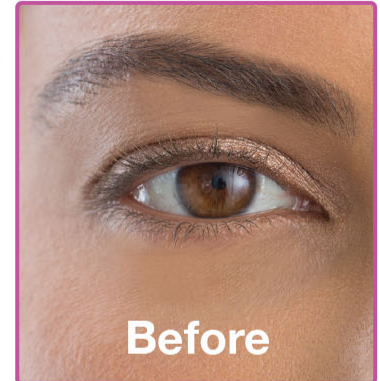

How to Use: Start with the wand at the base of your eyelashes and move outwards towards the tips. Coat both sides of your eyelashes for maximum volume.

For Best Results: Swirl the brush in the bottle before applying the mascara to your eyelashes.

Cleaning: To remove Lash Ease™ fiber mascara, simply clean your lashes with warm water or makeup remover.

Note: During the cleaning process, you may see what appear to be lashes being removed. Do not be alarmed. These are actually the fibers used in the Lash Ease™ Building Technology.

Beauty Tips:

- Make sure the fiber mascara is spread evenly on the wand before applying to your natural lashes.
- Apply multiple coats of Lash Ease™ fiber mascara to volumize your lashes even more!
- Use an eye curler before using Lash Ease™ fiber mascara to enhance your look!
