FLEX IT, COIL IT, WRAP IT, POSITION IT ANY WAY YOU WANT!

Keep your phone at eye level, use while reading, FaceTiming or watching videos. The secret is the tough, lightweight aluminum cable and secure clips that bend and twist into any shape to firmly keep your device locked in place. The **Rattle Snake Coil™** lets you free your hands. The gooseneck design is flexible, it twists and reshapes, while securely

holding and charging your smartphone. Just connect your phone and get ready for the ultimate hands free experience. **Rattle Snake Coil™** is made out of Military Grade Aluminum and is designed to last for years. Strong, yet super flexible, **Rattle Snake Coil™** will be the last phone stand/charger you ever buy.

Using Rattle Snake Coil™

Quickly mount and unmount your device using the interchangeable snake head that changes from a Micro USB to Lightning, to USB-C adapter in seconds.

It works with every iPhone, iPod, tablet, Android device and flip phones! **Rattle Snake Coil™** is amazingly flexible AND super tough.

Keep your phone close at hand while following the GPS or using for hands free talking, or watching a video while cooking. **Rattle Snake Coil™** twists to any shape to hold your phone in any position.

Perfect as a tripod for taking pictures or videos and when you're done it folds for easy storage or travel. No more tangled, messy cords!

When your hands get tired of holding your phone, **Rattle Snake Coil™** does it for you. The possibilities are endless.
